

415 is a cover band that has been rockin' the Merced area since 2006 with it's energetic rock, blues & metal. 415's raw, in-your-face sound keeps the heads bangin' and the party rockin'! From AC/DC to ZZ Top, 415 plays it all. Code 415 of the California Penal Code states that it's unlawful to subject others to "...loud & unreasonable noise..." IF IT ISN'T LOUD, IT ISN'T ROCK!
