

Mortal Atrocity is a Thrash Metal band est. in the spring of 2009 by a group of friends who have long been on a mission to bring a Metal scene back to their almost music less town of Davis, Ca. The members of Mortal Atrocity include Matt “Matigus” Alger on vocals, Christian “Chin” Stonehouse on guitar, Joe “Johawk” Schairer on drums, and Nate “Wolfman” Adcock on bass. With heavy hitting drums, thrashy guitars, and powerful vocals they bring their style of metal with a full force attitude as only true lovers of the genre could. With influences like Pantera, Metallica, Arch Enemy, and Lamb of God their performance will be something you don’t want to miss.
