

Premonition is a five piece Power Metal act that has been burning down the valley this past year with their own

brand of Metal!! The band reformed a year ago after taking a few years off with all the members doing side projects. Premonition has now returned with their 13 song CD entitled "Stronger", which was released on June 5th of this year and is being played in rotation now on 92.5 the Bear. After playing numerous gigs up and down the Valley and the Bay Area, the band is ready to melt your face off again at this years Monster Fest.

With their new 2 song EP "Its All Good" just completed, nothing is stopping the band taking over the local Metal scene! Band members for Premonition are: Marcos Flores (lead guitar and backing vocals), Mike Flores

(lead vocals), Jimi Watts (lead guitar), Kirk Dillard (bass guitar), Wade Bann (drums and backing vocals).
